

2013 Accident Review

Our seminar will consist of a review of all the accident that occurred in the Houston region.

Several of the accidents will be discussed in greater detail so we can understand the cause and how to prevent them in the future

Directions: From downtown Houston take 288 South to Hwy 6, right on Hwy 6, go 3 miles and take the 521 / McKeever Road exit, left for .3 of a mile and left into the airport. From Sugarland take Hwy 6 East and exit at the 521 McKeever exit, right on McKeever, go 3 miles and take the 521 / McKeever Road exit, left for .3 of a mile and left into the airport.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
